Worldwide Copyright Protection & Digital Rights Protection

Copyright © 2026 Camp Good Grief. All rights reserved.

This resource, including its text, design, layout, graphics, and overall content, is protected by copyright laws and international treaties. Protection applies worldwide and in all formats and media, including print, digital, electronic, online, and future technologies.

**Single-User License:** This purchase permits use by the original purchaser for personal use, one classroom, one counseling setting, or one organization location only.

## You May:

- Use this resource for your own personal or professional use within your single-user license.
- Print copies for your own students, clients, or program participants.
- Share the official website link or product information with proper credit to Camp Good Grief.

## You May Not:

- Copy, reproduce, upload, email, post, transmit, or distribute this resource or any part of it to others in print or digital form.
- Share files on websites, social media, cloud drives, shared folders, learning platforms, or public download pages.
- Resell, sublicense, alter for resale, remove branding, claim as your own, or use the content commercially without written permission.
- Use this material in digital products, AI training datasets, or automated content systems without express written permission.

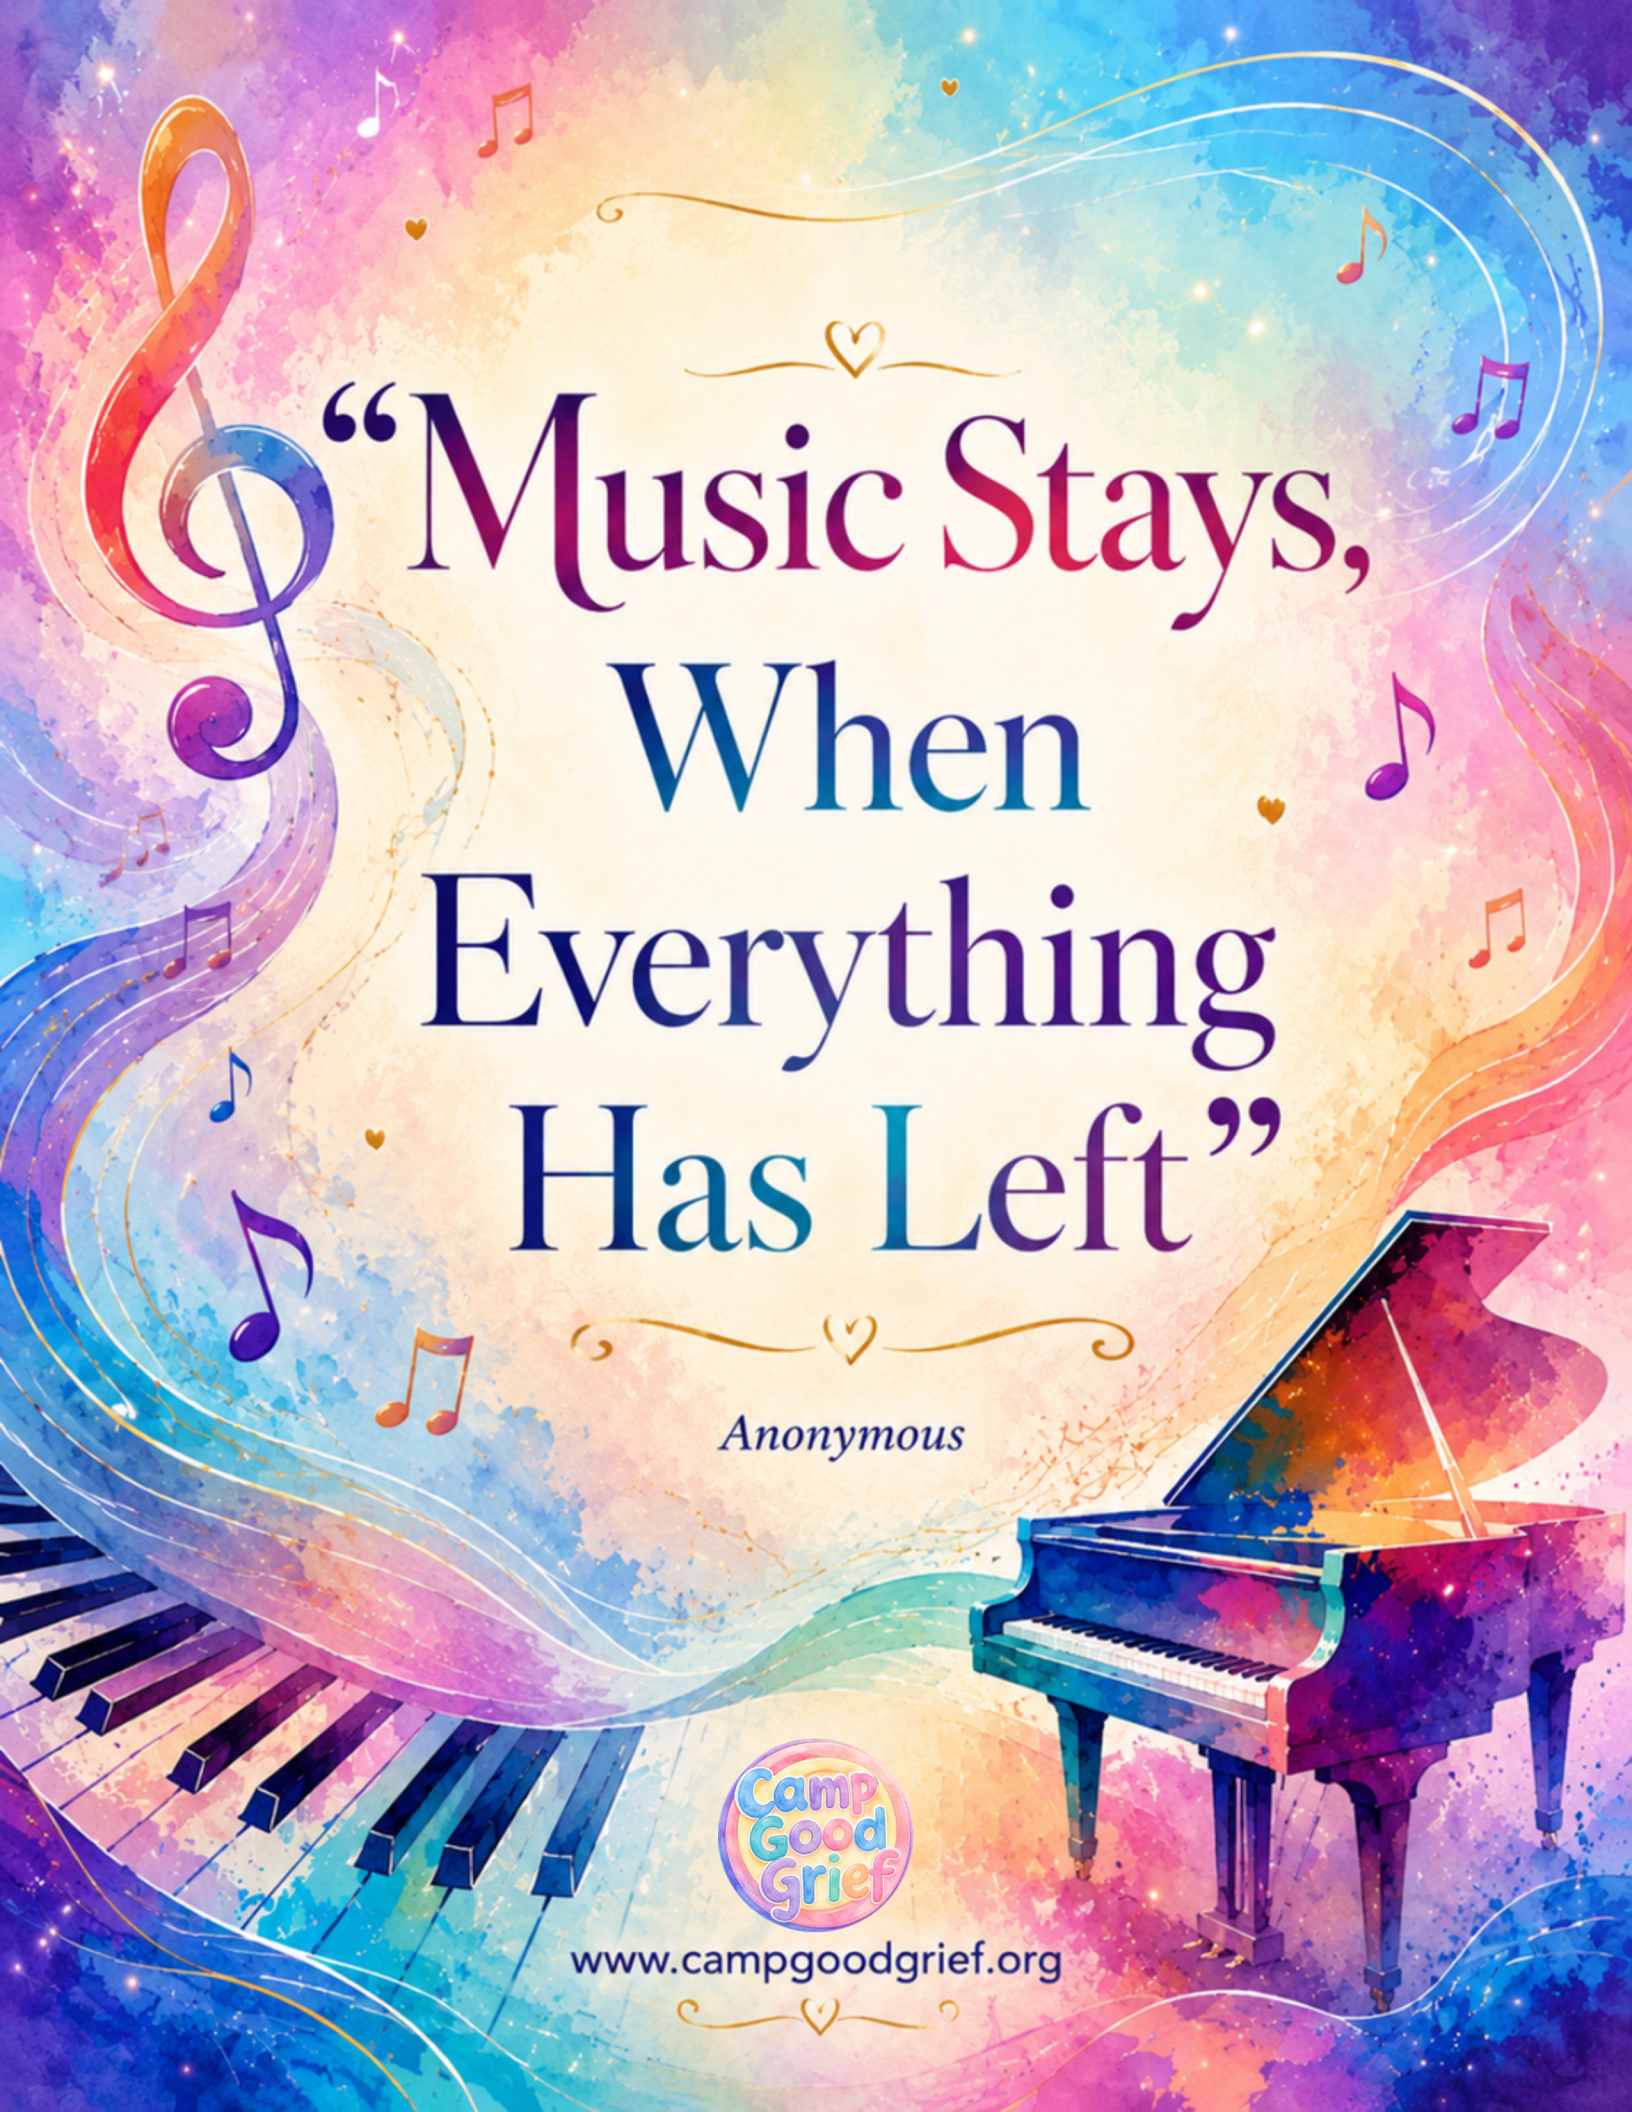

Unauthorized reproduction, redistribution, or commercial use is strictly prohibited.

For permissions or licensing inquiries, contact Camp Good Grief.
