

The background of the poster features a collection of various musical instruments, including a flute, clarinet, saxophone, trumpet, French horn, tuba, drums, violin, viola, cello, and double bass, arranged around the central text. A treble clef and musical notes are also visible at the top. The entire composition is framed by ornate, golden-brown scrollwork and floral patterns on a dark blue background.

Flute Care

Keep your flute clean, dry, and protected.

- Swab the inside after every use

- Wipe fingerprints off the outside with a soft cloth

- Never force the joints together

- Keep the keys dry and handle them gently

- Always store your flute in its case

CLARINET CARE

Take care of your clarinet every day.

- 🎵 Swab the inside after every use
- 🎵 Dry your reed and store it in a reed case
- 🎵 Use cork grease lightly when needed
- 🎵 Handle the keys gently
- 🎵 Always put your clarinet away in its case

Saxophone Care

Keep your sax clean and ready to play.

- Swab the body and neck after playing
- Dry the mouthpiece and reed
- Use your neck strap every time
- Keep the pads dry and handle the keys gently
- Store your saxophone safely in its case

TRUMPET CARE

A well-cared-for trumpet plays its best.

- Empty the water keys after playing

- Oil the valves regularly

- Grease the slides when needed

- Wipe the outside with a soft cloth

- Store your trumpet in its case

Instrument Care Poster

TROMBONE CARE

Protect your slide and keep your trombone moving smoothly.

Wipe and clean the slide after playing

Use slide cream or spray as directed

Empty the water key

Avoid dents and hold the instrument by the brace

Store your trombone in its case

Tuba Care

Big instrument, important care.

Oil the valves or rotors regularly

Grease the slides when needed

Empty the water keys after playing

Lift and carry your tuba carefully with both hands

Keep it stored safely when not in use

Instrument Care Poster

PERCUSSION CARE

Take care of your
instruments, sticks, and mallets.

Use the correct sticks
or mallets for each
instrument

Keep drumheads
and bars clean

Handle cymbals and
hardware carefully

Do not hit too hard
or use damaged sticks

Store sticks, mallets,
and instruments neatly

Violin Care

A little care keeps your violin sounding beautiful.

- Loosen the bow slightly after playing

- Wipe rosin dust off the strings and body

- Apply rosin lightly when needed

- Handle the violin gently and hold it by the neck

- Store your violin safely in its case

Viola Care

Care for your viola so it stays strong and beautiful.

Loosen the bow slightly after playing

Wipe rosin dust off the strings and body

Apply rosin lightly when needed

Handle the viola gently and support the neck

Store your viola safely in its case

Instrument Care Poster
